Response to letter dated July 16, 2008 for the April Quarterly REport (03/13/08 - 03/31/08)

Item 1 - Trent Lott for Mississippi is a multi candidate PAC so this is not an excessive contribution.

Item 2 - The LLC contributions received are from partnerships and memos have been included with the amended report.

Item 3 - If the employer and occupation fields contain 'unknown' this committe has made a best effort attempt to find this information.

A postcard was included in the original solicitation requesting the employer and occupation of the contributor. If we did not receive this information

within 30 days of receiving the contribution we made a phone call to gather the information from the contributor. A solicitation for more funds was not attempted.

This was noted on the copy of the contributor's check. If we receive this information after filing this report we will amend to include the information.

Item 4 - Corrections have been made on the amended report.

Item 5 - Schedule C-1 was included on the prior report and a paper copy of Schedule C-1 has been forwarded to the FEC office.
